Michael Will, MD, DDS, FACS

Cosmetic surgeon Dr. Michael Will received his bachelor's degree from Washington and Jefferson College, his dental degree from Georgetown University and his medical degree from the University of Texas. He completed his General Surgery and Oral and Maxillofacial Surgery training at Brooke Army Medical Center in San Antonio, Texas. Dr. Will also completed a General Cosmetic Surgery fellowship at the Cosmetic Surgery Center in Little Rock, Arkansas. He has authored numerous textbook chapters and scientific articles, and is a recognized national lecturer in Oral and Maxillofacial and Cosmetic Surgery. Dr. Will is on the medical staff at Shady Grove Adventist Hospital, the Montgomery Surgery Center and Frederick Memorial Hospital.

Dennis Tarnow, DDS

Dr. Dennis P. Tarnow is currently Clinical Professor of Periodontology and Director of Implant Education at Columbia School of Dental Medicine. He is the former Professor and Chairman of the Department of Periodontology and Implant Dentistry at New York University College of Dentistry. Dr. Tarnow has a certificate in Periodontics and Prosthodontics and is a Diplomate of the American Board of Periodontology. He is a recipient of the Master Clinician Award from the American Academy of Periodontology and Teacher of the Year Award from New York University. Dr. Tarnow has a private practice in New York City, and has been honored with a wing named after him at New York University College of Dentistry. He has published over one hundred articles on perio-prosthodontics and implant dentistry and has coauthored three textbooks including one titled Aesthetic Restorative Dentistry. Dr. Tarnow has lectured extensively in the United States and internationally in over thirty countries.

Peter Moy, DDS

Dr. Moy received his dental degree from the University of Pittsburgh, a certificate in General Practice Residency from Queen's Medical Center in Honolulu, Hawaii and his certificate in Oral and Maxillofacial Surgery from UCLA Hospital and Medical Center. He presently limits his practice to Oral and Maxillofacial Surgery focused primarily in the areas of osseointegrated dental implants and the reconstruction of severely atrophic ridges. He is currently a Professor of Clinical Dentistry as well as the Director of Implant Dentistry at the Straumann Surgical Dental Clinic at UCLA.

Mariano Polack, DDS, MS

Dr. Mariano A. Polack earned his dental degree in 1995 graduating at the top 1% of his class. Early in his career he received two research awards from the prestigious International Association of Dental Research. In 1997, following two years in private practice, he enrolled in the three-year Specialty Program in Prosthodontics at the University of Minnesota. Dr. Polack graduated in 2000 obtaining a specialist certificate in Prosthodontics. In addition, he obtained a Master of Science Degree for his research leading to the development of a new system to test the bond strength of dental adhesives. Between 2002 and 2004, he was a guest scientist at the Ceramics Division of the National Institute of Standards and Technology where he was involved in several research projects on dental porcelain. He is a member of the Academy of Osseointegration, American College of Prosthodontics, American Dental Association and a founding member of the Gainesville Study Club, a multi-specialty study club in Northern Virginia. Dr. Polack maintains his private practice in the Washington, DC area.
